    ii.   To develop a sense of social and civic responsibility among the students.
    iii. To develop patriotic spirit.

- Context-

    India is country of villages Our college is situated in rural area. There is
    strong strong impact of superstitions, beliefs,adverse customs,traditions on the minds of
    rural people.It is felt that our society shall be free from superstitions and bad customs.
    Keeping in view these thoughts we have established Vivek Vahini cell to support
    rationalist movement . Man is the only animal who is rationalist. If we want positive
    change in society we have to built scientific temper among our student.

- The practice-
    In order to implement the activities of Rationalist Movement. our College has
    established Vivek Vahini Cell . Through this cell we organize different activities like guest
    lectures an various social issues in society, We also conduct essay writing competition,
    workshops on scientific awareness. We encourage students who have become member
    of this activity to read Life and works of scientists and social reformers. We also arrange
    rally on social issues like anti cracker movements, addiction free society ,Aids awareness,
    save girl child, No plastic campaign etc.

- Evidence of success-
    The activities of this movement helped us to create scientific temper, social
    awareness, environment protection awareness among the students and society. The
    activities implemented by addication free society movement made them aware of
    importance of good health. The students also worked in their village to eradicate
    superstitions, adverse customs like faith in ghost, rituals,beliefs. Even this cell also
    becomes successful to create awareness about environment protection. The students
    collected Nirmalya during Festival of Ganesh in order to stop water pollution. The cell
    has become successful to engrain the feeling of 'We develop our personality with our
    own hands'

- Problem Encountered-

Titie of the Practie:
The Promotion of National Language Hindi

- Goal-: To Promote national language Hindi.

  i.   To motivate students to use Hindi for communication.
  ii.   To study and read reputed writers and their literature in Hindi.
  iii. To motivate and to guide the students for creative writing.
  iv.   To develop sense of national integration

- The Context:
  India is multilingual country and there is need to use a language which links people from different states where different languages are used. We have accepted Hindi as a National Language on 14th September 1994. As a result we celebrate 14th September as a 'Hindi Din'

- The Practice-
  On the occasion of "Hindi Din" Department of Hindi of our collage organizes different Programmers and competitions to develop hidden potential in the field of literature. To develop confidence to use Hindi , we organize different competitions like Essay writing, elocution competition, singing of songs, Poetry reading etc. The successful students in the competitions are felicitated with Prizes, books, trophies etc. students from other departments from our college participate in these competitions.

- Evidence of success-
  It is noticed that the confidence of students is increased because of their participatation in various competitions organized on the occasion of 'Hindi din' Akashda Mane from our college secured first Prize in state level 'Hindi essay writing competition'. Other three students are selected and participated in national level essay writing competition organized by 'Hindustani Prachar Sabha'.
  In the academic year 2015-16 eight students from Hindi department received 94,000/- rupees merit scholarship by central Government of India. Six students received 30,000/- rupees 'Eklavya merit Scholarship' by state Government. Thus with the help of the best Practice, we have become successful to promote Hindi among students.
